I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments:

I get a compounded prescription out of State that I can't get locally. I desperately want and need this prescription. Your proposed M.O.U. does nothing to improve my life or situation. In fact it harms & restricts it. Why don't you stop your bureaucratic meddling & focus on helping not hindering people. My anger at you is overwhelming!!!
